Campus Pulse — Club Creation Guide (Prototype)

This PDF is a frontend prototype guide for the Campus Pulse club-creation workflow. It is not presented as the official University of Mpumalanga policy. Replace this guide with the current university-approved policy before production or institutional rollout.

Application checklist represented in the prototype

• Read and acknowledge the university club-creation policy.

• Define the proposed club name, category, purpose and campus location.

• Provide a clear motivation and intended student benefit.

• Provide founding-member / signatory information.

• Provide an advisor or staff contact where required.

• Prepare or attach a constitution and supporting documents.

• Submit the application for institutional review.

• Use the Feedback inbox to follow review messages and requested changes.
